

# MEMENTO 2.0

## Scope for Personality

Free from the superfluous, Memento once again lives up to its status as an elegant premium bathroom. The exclusive 500 and 600 mm wide surface-mounted washbasins are available for the first time in TitanCeram. Precise contours and thin walls lend a particularly intricate appearance and puristic lightness to Memento's unmistakable look.

### Design Highlights

- + Memento surface-mounted washbasins in a delicate new look that retains Memento's distinctive design
- + Thanks to TitanCeram, thin walls help create a look of contemporary elegance
- + New surface-mounted washbasins in the sizes 500 and 600 mm

### Colours

- + Surface-mounted washbasins available in the classic colours: White Alpin, Stone White, Star White and Glossy Black
- + New Concrete finish: concrete effect emphasises the urban look of the collection
